Company Info....

What sets 'ULTRALUX' apart from the rest of the industry is its investment in the development of state-of-the-art features and designs. **Ultralux's** approach is 'Don't follow, be a leader'. And that is what we've done by developing features and designs that meet the needs of today's lifestyle of the consumer, also keeping in the mind the merchandising needs of you, the retailer, with concept designs and shapes that attract the consumer.

We've established our factory known as **ULTRALUX INDUSTRIES, Jamnagar** the hub of manufacturing BATHROOM FITTINGS and its accessories specially in BRASS. Our brand '**ULTRALUX**' became popular within a short span of time due to its quality and variety.

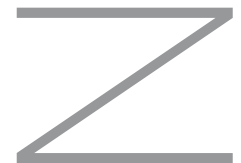

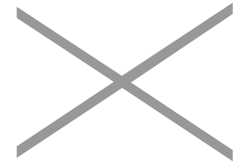

We aggressively developed our product range, our marketing skill and by expanding our marketing-sales network all around country and gained the reputation. We got very encouraging support from our distributor and dealers to build strong foundation of our brand.

Design Studio : In house designer to create concept product designs.

Welfare : In house labor welfare program & motivational efforts to enhance working capacity with dedication.

And above all we've our own most modern manufacturing plant equipped with latest technology, machinery and R&D section to create world class '**ULTRALUX**' bathroom fittings and accessories that epitomizes style refinement and innovation.

Our Motto : "To produce high quality products in Brass in vast variety to fulfil the dream and desire of our end users. Prompt supply and fast service is our priority."
